## **Quantum Cranial Activation**

**QCA** is a ‘Hands-on’ transformation technique. Simply, by placing your hands on specific positions on and around the cranial area of the head, we are shifting stuck energies that have been holding limitations in place. By clearing the pathways of the brain, the midbrain is accessed, this is where miracles happen.

Quantum Cranial Activation Techniques for ‘Awakening Consciousness’ thru the art of ‘Hands-on-Healing’ There are specific positions on the head which, when lightly touched, effortlessly and easily facilitates the awakening of consciousness. In Traditional Oriental Medicine Acupuncture, these are referred to as ‘Acupoints’. In Indian Ayurvedic Medicine they’re referred to as ‘Nadi’s.

These positions are like openings, portals, or gateways of consciousness. These specific positions facilitate transformation. They release anything that doesn’t allow you to receive, such as limiting beliefs and sabotage patterns.

Quantum Cranial Activation allows you to ‘let-go’ what you don’t want, to process and receive the changes you are choosing in life with ease.

### **Quantum Cranial Activation 2 Day Practitioner Course:**

**It will be held on Saturday & Sunday 10th & 11th April 2021**
